

## Premium Auction Intent-To-Sell

The premium auction committee would like you to list what you intend to sell at the premium auctions this year at the fair. This list is not set in stone and you will still need to fill out the regular forms at the fair. Just a reminder, you may sell 2 foods and 1 livestock or 2 livestock and 1 food for a total of three items.

For example:

1. 1 food item
2. 1 beef
3. 1 sheep

You must meet all weight requirements and rules set by the premium auction committee to be eligible to sell. Cloverbuds are not eligible to participate in the sale.
